

RAPE KIT REFORM BY STATE

NOTE: Alaska and Hawaii not to scale

Rating

- Tier 1: State law requires the testing of backlogged rape kits and newly-collected kits.
- Tier 2: State law requires the testing of all newly-collected kits.
- Tier 3: State law requires an audit of all untested kits.
- Tier 4: States have minimal legislation addressing rape kits.
- Tier 5: States have proposed legislation.
- Tier 6: States have no legislation addressing rape kits.
